

CUSTOM FULFILLMENT!

Custom Fulfillment, also known as order fulfillment or *product fulfillment*, is the process whereby my company fulfills the obligation to send a company or a person an item or product, custom tile, Giclee print etc. that the person has ordered, purchased, or requested from my company.

My NEW service will offer a wide spectrum of services, it will include working with the client to custom tailor products to meet the needs of the end client.

For special occasions such as:

Wedding Gifts
Anniversary Gifts
New Baby Gifts
Memorial Plaques
Corporate Awards
Sports Awards
Golf Awards
Giclees on Canvas or Art Paper
Custom Dry and Heat Mounting
Photo Restoration
Personalized Premiums

All occasions mentioned above can be personalized with photos, logos, special dates and names

From products to hang on your walls, award plaques, custom and personalized items, t-shirts, coffee mugs, mouse pads etc. I help to creatively solve mostly any problem, all work is done in house by myself, from custom framing, heat or dry mounting, printing Giclees on canvas or art paper, sublimating our images or your image, on any substrate including CORIAN or any other solid surface material, wood, metal, tumbled marble, ceramic tiles, cement tiles, fabric etc. I operate a complete in house production.
